Welcome Eric

Eric is the president of EVA-Technologies, founded in 1996, and an instructor of cybersecurity at École Polytechnique de Montréal and at HEC Montréal. Since 2010, he has been a consultant helping senior management of many organizations with their cybersecurity programs and strategy. Eric is especially passionate about the implementation of effective vulnerability management programs.

Vulnerability Management

Avoidance, Measures and Feedback

Do we need a 5 or 10 min break?
